RECKONING ON THE ROCK

**Wisconsin State
Championship**

Cowboy Shoot

June 1 –June 3, 2018

Rock River Regulators Association

P. O. Box 337

Roscoe IL 61073

For the 6th time, the homes, businesses and decent folk around the hills of Beloit in Rock County are being threatened by the nefarious 'ner do wells and other assorted bad guys. We invite you to join us as we deal out our own brand of justice to this evil bunch at the annual **Reckoning on the Rock** cowboy shoot at the Beloit Rifle club grounds. There will be a total of ten challenging stages for the main match. You will need 100 pistol rounds, 100 rifle rounds and about 75 shotgun rounds for the main match. Allow extra ammo for the long range and side matches that will be held on Friday. There will also be a Wild Bunch match on Friday (You must pre-register for this side match, cost \$10)

Lunch will be available on Saturday and Sunday. Camping will be permitted on the club grounds at no charge; however, it is primitive camping. There will also be an area available for RV's. Campground opens Friday morning.

We have adjusted the classes to accommodate requests and suggestions from the shooters that attend the monthly matches at the club. Awards given to the top 3 shooters in each class (categories with less than 3 competitors will be eliminated, shooters in affected categories will be notified and have the option of choosing another category). Awards will be distributed on Sunday following lunch. This should allow everyone to head out with plenty of daylight for the drive home.

SASS guidelines for safety, equipment, scoring and costuming will be followed. Shooters are required to be members of SASS to compete. Please send all entries for shooters that want to posse together in the same envelope, or mark your requests on each entry form. Additional information as well as an e-mail link will be found at our web site www.rockriverregulators.com. Questions about the match may also be directed to Stoney Mike at hetzer@charter.net or (608)-931-4821 cell
